

**Billy Ray Jones Jr.**

July 1, 1968 – November 19, 2025

Billy Ray Jones Jr., age 57, passed away peacefully on November 19, 2025, after a courageous battle with cancer at UAB Medical West Hospital, surrounded by his loved ones.

Billy was a man of many passions and a deep love for life. He enjoyed working on cars, tinkering in the garage, and using his trademark creativity and "redneck ingenuity" to break things down and rebuild them, even if the end result wasn't always perfect—he always found a way to make it work. A lover of pranks, jokes, and laughter, he found joy in playing games like Left-Right-Center and belting out songs during Karaoke nights at Harry & Billie's Lounge.

Though Billy's journey was not without its struggles, he faced each challenge with determination and strength. He battled addiction and emerged from it with a renewed sense of self, embracing who he was unapologetically in his final months. His kind heart, unwavering consistency, and genuine curiosity about others made him a people person to the core. He was always up for a conversation, always asking about what was going on in others' lives, and willing to laugh off his own mistakes. Billy was also a constant presence at home, always ready to lend a hand when needed.

Billy was predeceased by his father, Billy Ray Jones (2016), and his significant other, Donna Fisher (2024).

He is survived by his loving mother, Gail Posten Jones; his brother, Jason Anthony Jones; and his nephew, Dawson Jones (Ashley Roth). He also leaves behind his aunts Karen Posten Suits (Eddie), Donna Gayle Jones Vickers (Mark), and Peggy Posten; his uncles John Paul Posten (Margaret) and Douglas Wayne Posten (Bobbie); as well as many cousins and extended family who will miss him deeply.

Billy had a special bond with his mother and brother, and he loved them deeply. His memory will live on in the stories we share, the laughter we carry with us, and the lessons he taught us about perseverance, kindness, and the importance of always being true to yourself.

A celebration of life service will be held at a later date.

Rest in peace, Billy. You'll forever be loved and remembered.
