

## **Roger Steven West**

September 1, 1954 - March 12, 2026

---

Roger (Steve) West, age 71, was a lifelong resident of West Blocton, AL. He was born September 1, 1954. He passed away peacefully under hospice care at his place of residence on Primitive Ridge surrounded by family.

Steve was a dedicated Father, Pawpaw, & friend. He loved tinkering with cars, lawn mowers, and spending time with his family before becoming ill. Unfortunately time is a thief and cancer was the main driver.

He is survived by his daughter Brandy Akins (Jason) and Karen Holman (Bobby); his grandchildren Christian West (Jenna) and Lindsey Hallman; his great grandchild Lane West; along with a host of nieces, nephews, and friends.

A small private graveside service will be announced as time permits and arrangements are finalized.
