Pre-Planning Certificate

Basic Cremation includes the 8 items listed below and no other services are included or implied.

1. Basic Services of Funeral Director & Staff
2. Removal of Deceased from place of death within 50 miles (a mileage charge will apply after 50 miles)
3. Refrigeration (up to 2 days, an additional charge will apply after 2 days)
4. Permits
5. Filing State and Federal Documents
6. Crematory Fee
7. Alternative Cremation Container
8. Temporary Plastic Urn

Thank you for inquiring about our Pre-Planning. As you know, we offer a fair price to our families. At this time, we have our families fill out documents that we place in our files for your future use. The price of our cremation is \$950*. We will hold this price plus a small cost of living increase of 3% per year until death. This increase will be applied on the anniversary of the date this document was signed by you. You do not pay any monies toward this Pre-Planning. You or your family will only pay when the need arises. Your money is still SAFE with you and we only need payment when we perform a service for you. If you agree to these terms, please sign this form and return to us with the Vital Information Worksheet (information used for filing the death certificate) and Authorizing Agent Affidavit (signatures must be notarized and this form authorizes a person who may sign for the cremation at time of death). Please make a copy of all forms for your records. You may fax, email or mail all forms. Fax # 866-243-5835; email to cremationcenter@gmail.com or mail to the above address of Cremation Center of Birmingham.

*For future certificates, price will be based on date signed, and price is subject to change without notice. This pre-planning certificate may be canceled at any time by you and does not obligate you or your family to any services not requested by the next of kin. This Pre-Planning certificate does not take the place of properly executed cremation authorization that will be required at the time of death.
