

## **Garry Lester Briscoe**

July 19, 1959-August 4, 2024

Garry Lester Briscoe, 65, of Cullman, went to be with his Lord and Savior on August 4, 2024. Garry graduated from Phillips High School, class of 1977. He graduated with a bachelor's degree from UAB in 1983.

Garry was a giving person who would give anything to anyone if they needed it. He helped raise his younger siblings and was the father figure for them, even later in life. He loved Alabama football. He looked forward to retirement and spending more time with his family. He was a great brother, friend and uncle and he will be dearly missed.

Garry made friends where ever he went that lasted his entire lifetime. Like his close friends since childhood, Felton Collier, Hudson Neal and Renee Aublanc. He worked at

several different places including Schwann's, Shoney's, Fresh Air Farm and retired from Publix.

He is preceded in death by his parents, his precious mother, Verlie Dune Haynes Briscoe and father, James Lester Briscoe. Also, his brother Danny. He is survived by his sisters, Tammi Cole (James), and Vicki Briscoe; sister in law, Janet Briscoe; brother Randy Briscoe (Mona). He is survived by 5 nephews and two nieces and many great nephews and nieces; lots of friends who were like family to him.

The family would like to thank special friend Diane Herndon for helping Garry over the years. Especially the last three months while he was in the hospital. She was always there for him when he needed her and even helped to save his life one time.

As Garry would say "Well folks, that's a wrap!"

A celebration of life will be announced at a later date.
