

### **Claudia Mae Dreffs**

Claudia Mae Dreffs passed away suddenly on October at only 21 years of age.

She was born on January 20th, 2003, to Shane and Marcie Dreffs in Birmingham, Alabama. She attended Helena Elementary School and then continued her education homeschooled with her sister, Clarissa. They were inseparable as children and best friends as they got older.

She is survived by her parents, Shane and Marcie Dreffs; her siblings, Clarissa Dreffs, Nevada Naylor, and Hunter Dreffs; her grandparents, Bethel (Buzz) and Debra Siegel, Gilbert and Beverly Summerlin. She was welcomed with open arms back into the universe by her grandfather Michael William Palmer.

Claudia had the best sense of humor. She loved to laugh and make others laugh with her goofiness and funny faces. She was free-spirited, spontaneous and always up for any new adventure. She was beautiful and photogenic, always the model for her mother's photography business.

She was an enchanting fairytale against a backdrop of wishes and dreams.

The family would like to thank the community for their outpouring of support.
