March 4, 2025

It is with deep sadness that we announce the passing of Marshall Gorman Foster Jr., who died peacefully on March 4, 2025, at the age of 71.

A devoted father and grandfather, he was an avid fly fisherman and fly tyer, known for his exquisite flies that beautifully mimicked nature. He was also a lover of music, having most recently taken up the African drum.

Prior to retirement, Marshall worked as a carpenter, having proudly built many beautiful custom homes in the city of Birmingham, AL.

Marshall is preceded in death by his beloved parents, Gaye Ellen Moore, Marshall Gorman Foster and Percy Walton Moore, Jr., as well as his wife, Dorothy Brown Foster.

He is survived by his sons, Marshall Eugene Foster and his wife Catherine, of Pelham, AL, Garrison Foster and his wife Lauren, of Helena, AL, and his two grandchildren, Levie and Granger Foster. He is also survived by two brothers, Walt Moore of Mountain Brook, AL, and Drew Moore and his wife Teresa of Chelsea, AL.

In lieu of flowers, the family kindly requests donations to Project Healing Waters, a cause Marshall eagerly supported in their work with veterans.
